

BABY SPRINKLE ITEM LIST

Perfect for families or small groups

A Baby Sprinkle is a toned-down baby shower — a more low-key affair than a shower, it's typically a smaller gathering, shorter, and laidback.

Suggested baby items for your Sprinkle (must be new with tags):

- o Onesies (unisex colors, please)
- o Wipes
- o Bottles
- o Baby shampoo
- o Baby wash
- o Baby lotion
- o Diaper cream
- o Diaper bag
- o Diapers
- o Food delivery gift cards for when cooking feels impossible!

Make it your own and have fun!
